

# **Suggestions to Davao OSM contributors**

Open/Overlapping Intersections

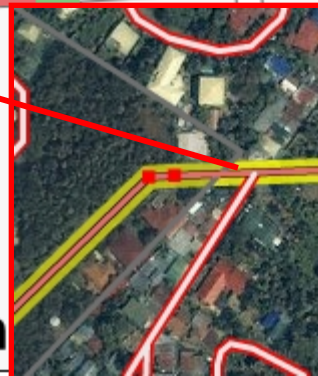

- Base Layer
  - Mapnik
  - Osmarender**
  - Cycle Map
  - NoName
- Overlays
  - Maplint
  - Data

San Pedro Village

Use Osmarender to better locate flaws in the network

Ladislav Garden Village

Morningside Subdivision

Use these settings  
to edit the map so  
that you can  
locate the open  
nodes more  
clearly

WRONG

Background: **Aerial - Yahoo!**

- Fade background
- Use thin lines at all scales
- Highlight unnamed roads
- Use pen and hand pointers
- Show floating warnings

Ok

Note that if you  
select the road,  
you should see a  
node in each  
intersection

CORRECT

residential road

highway residential
